SEN Cheerleading Classes in Sutton starting in September!!

Unity Allstars is at **U-HQ**.

15 Jun · 🌐

📣 **NEW TEAM** 📣

We are SO EXCITED to announce that we are launching SEN Cheerleading classes at the U-HQ, offering cheer for all 🧡!

Unity Allstars Platinum is our newest team offering sessions to children with additional needs and learning disabilities. Athletes who attend the sessions will learn all aspects of cheerleading, and we look forward to giving these athletes the opportunities to perform at local events and regional competitions 🥳!!

The aim of Unity Allstars Platinum is to create an environment where children can develop their skills, feel safe and really feel like they belong somewhere as part of a team 🧡! It also gives parents a chance to meet other parents of children with additional needs.

Classes will be run by Chloe Redmonds, an experienced SEN cheer coach with 8 years behind her running a SEN Cheer programme within our local community (Surrey Twisters Sunshine). Chloe and some additional Unity volunteers will work with these athletes to ensure that they enjoy fun and safe classes 🧡.
